A Star Is Born

Miss Lone Star 2013 Brianna Webb received a makeover fit for royalty courtesy of Eric Vaughn, hairstylist of Michael Kemper Salon and certified Di Biase hair extensionist. The beauty queen received a full head of keratin bonded hair extensions, adding length and fullness to her look, along with a few added pops of color to complement Webb's highlights. Enthuses Vaughn, "As hairstylists, our main goal should always be to make every client feel as though their hair looks the best it ever has!"
